Girls on the Spectrum (Girls with Autism with Average to Above Average Cognition and Verbal Skills) Hidden in Plain Sight

ASD Network Metro Region Training

Presenters: Teri McGill, Metro Region ASD Network Coordinator, Beth Klootwyk, School Psychologist, *Elkhorn Public Schools*, Nicole Heller, School Psychologist, *Elkhorn Public Schools*, Jennifer Johnson, School Psychologist ,*Wahoo Public Schools*, and Marci Haight, *Northeast Region ASD Network Coordinator*

Date: February 24, 2027

Time: 8:30 a.m. - 3:30 p.m.

Location: ESU #3

Fee: $35 (Lunch, beverage, snack, and materials are provided.)

Audience: All special education and general education teachers, counselors, psychologists, parents, Administrators, and other professionals working with females on the autism spectrum.

Description: Participants will learn to:

- Identify female-specific characteristics, red flags, and unique diagnostic challenges.
- Recognize "masking" or camouflage and understand the consequences of late/missed diagnosis.
- Address co-occurring conditions in autistic females.
- Apply targeted instructional strategies for the school setting.

Special Note: Includes a live panel of autistic women sharing first-hand experiences of daily life on the spectrum.

Registration will remain open until one week prior to the workshop or until maximum capacity has been reached

To register, please sign in to your IRIS account or create an account if you do not already have one by selecting HERE. After your account has been created, you may log in and complete your workshop registration.
